

Auditing & Assurance Services

As businesses expand and operate in an increasingly global environment, the need for robust regulatory compliance, transparency, and effective financial controls has become critical. Our Auditing & Assurance Services are designed to help organizations meet these evolving requirements with precision and confidence.

We provide comprehensive audit and assurance solutions that not only ensure statutory compliance but also enhance the reliability of financial information. Our approach focuses on delivering clarity, transparency, and actionable insights—enabling stakeholders, investors, and management to make informed decisions while strengthening trust and governance.

Our Audit & Assurance Services Include:

- **Statutory Audit**
- **Internal Audit**
- **Internal Financial Controls (IFC) over Financial Reporting Audit**
- **Income Tax Audit under Section 44AB**
- **Transfer Pricing Audit under Section 92E**
- **GST Audit**
- **Form 10B Audit (for NGOs and Charitable Trusts)**
- **Forensic Audit**
- **Due Diligence**
- **Certification Services**
- **Audit of Form 15CB and issuance of Form 15CA under the Income Tax Act**
- **SOX Compliance Audits to ensure effective internal controls**

Our team combines technical expertise with industry knowledge to deliver high-quality audit services tailored to your business needs, ensuring compliance, risk mitigation, and long-term sustainability.
